

“Beyond Cultural Competency: What’s Next?”

April 29, 2010 at the Holiday Inn North at the Pyramids, Indianapolis.

CALL FOR POSTER PRESENTATION ABSTRACT

The 9th Annual Indiana Conference on Cultural Competency for Behavioral Healthcare will be held on **Thursday, April 29, 2010**. The conference which has evolved over the years to become a great resource for the State of Indiana on cultural competency and behavioral healthcare allows healthcare professionals, healthcare providers, educators, researchers, policy makers, the business community and concerned citizens a forum to share exciting lessons and experiences aimed at promoting diversity and eliminating health disparities in our increasingly diverse population. We are currently accepting poster presentation abstracts and are particularly interested in abstracts that address our conference theme, “Beyond Cultural Competency: What’s Next?” as well as focusing on our conference objectives listed below:

- To identify challenges in implementing strategies toward cultural competency,
- To improve the quality of service and health outcomes,
- To create awareness of benefits that accrue from being culturally competent,
- To enhance leadership involvement in cultural competence through leadership commitment

The conference planning committee will review the abstracts and select those that will be presented.

To submit an abstract please complete the poster presentation request form and submit it by **March 15, 2010** to **v.woods@imhc.org**.
